MERRY CHRISTMAS & HAPPY NEW YEAR FROM ALL OF US!

- from the Boss

As we approach the end of another successful year, we want to thank you for choosing All Systems Go Ltd for all your IT & Compliance needs. We are committed to providing you with the best products and services, and we look forward to being of service to you in the coming year.

It's been another busy year for the ASG team with 2 new staff for the compliance team and a move to new premises. Our new office has provided us with the space we need as a fast growing business moving forward. The office warming was great, a huge thank you to sponsors and customers who came to make this a truly grand event.

Other highlights this year have been becoming a Microsoft Managed Partner, Silver Cloud Competency, of course the new location and infrastructure to match, and a new home as well. Charles has had an amazing year too winning the Dawson Falconer Trophy at the NZ Arias in Rotorua.

***Our closure dates are as follows 25th December – 12th January
(remember to stock up on toners to get you through your printing
